

# “READY ROOM” NEWSLETTER

November, 2015

*Our Mission is to increase the public’s awareness of aviation through the flight of historical aircraft, while supporting our local children’s hospital.*

## Coming Home

The Corvette has started her journey home. She is due to arrive to the Museum of Flight hangar on December 7th after being shipped across the ocean from... Hawaii. Yes, the Corvette is returning home from Hawaii where it was promoting and performing in the Kaneohe Bay airshow where it raced Jackie B. Will be performing in a Torque vs Thrust demonstration at the museum’s hangar Grand Opening on March 26th racing an aircraft.

# Glasair Takes to the Sky

The Glasair, piloted by Pete O'Hare, gave members, Don Trammell and William Bannister an opportunity to see a bird's eye view of Rome, GA.

Your donations help teach children about aviation, bring like-minded adults together PLUS the added benefit of raising funds for the children's hospital. Please give generously for 2015.

**We need your donations and you benefit with a year end tax deduction!**

Class of 90 fourth grade students visit the Museum of Flight.

## New Museum Storyboards

The new storyboards are now complete and installed. This will be a great help to our visitors and museum docents in providing additional detailed information about the museum planes and displays.

## Mess Night 2015

The Mess Night event was a huge success filled with presentations, conversations, food and drinks. Everyone enjoyed the evening spending time with and recognizing our members and all their hard work! More photos can be found on [Facebook](#).

## Toys for Tots Event

The Toys for Tots event, held at Dallas Bay was a great success, including the museum board President running his motorcycle down the runway at our annual Toys for Tots toy run. You can check out the video on Facebook.

A big thank you to everyone that came out and participated in the event.

## Opening the Doors to the Museum

What an exciting day to see the opening being cut and the doors being installed at the Rome hangar. A big thank you to Terry Hart and the Chattanooga airport for the donation of the awning. Soon we can invite the public with access outside of the fence.

## Merry Christmas!

Wishing you and your family a very merry and safe Christmas and a Happy New Year from everyone at the Museum of Flight.
