Our Mission is to increase the public's awareness of aviation through the flight of historical aircraft, while supporting our local children's hospital.

The Annual Hangar Gala Newsletter

The music and laughter still rings through the hangar, a month after our Annual Hangar Gala on April 20th. Beyond the fun, dining, and dancing of the evening was the resolute support for our local Anna Shaw Children's Institute. The 9th Gala was another in a growing list of successes. A huge thank you is due to our guests, volunteers, and the local community that all worked together to make this all possible.

Gala Preparations

Rome wasn't built in a day, and neither was the gala. The whole hangar was transformed into an elegant dinner venue. Starting with cleaning the hangar floors to tying bows around the chairs. The hangar was dressed to the nines. The Gala preparations took a village. Jorge Veridas of Gad Aviation detailed the ladies, restoring them to their full beauty. Julie from Old Timers Barbecue and her team worked to set up the gala.

Happenings Around the Museum

The Museum of Flight team takes time to go to the Paris Island Museum before the Beaufort Air Show.

Kevin Duncan, our fearless maintenance coordinator and part time magician peers out from inside the cockpit as if pulling a rabbit from a hat. Miraculously the brakes work again!
