Volume 11: Issue 11

Our Mission is to increase the awareness of aviation through the flight of historic aircraft, while supporting the Anna Shaw Children's Institute.

Members and Friends,

Just a week before Christmas and all though the house, it is filled with packages and anticipation of spending time with family and friends.

The MOF family is also excited to announce the new addition of a beautiful little girl, Elizabeth Inez Beaver born on Wednesday, December 15th. Congratulations to Jason and Alison Beaver!

Maintainance season has already started at the Rome Hangar and after the new year, the Safety Standdown schedule will be announced. The Safety Standdowns are classes about the museum, safety or aviation related topics.

If you are interested in helping with the annuals and maintenance, please contact [Frank Fry](#) to get involved! No experience needed, just a desire to help.

MOF Pilots, mark your calendars for March 5th for the All Pilot Briefing for insurance and risk mitigation. This is a required meeting.

The MOF board and staff wish you Merry Christmas, Happy Holidays, and a Happy New Year!

MOF Annual Maintenance

The 2021/2022 maintenance season has arrived. There is plenty to keep everyone busy. Below, Gary is opening all the inspection panels on the Alpha and Jesse “the ambassador” pulls plugs from the C-45. Thank you, everyone for all your help from spark plugs to hummers to checklists and everything in between. Others shown include Jason Beaver and Frank Fry.
